

# LMT MERCER GROUP, INC.

## QUALITY DECK & RAILING ACCESSORIES

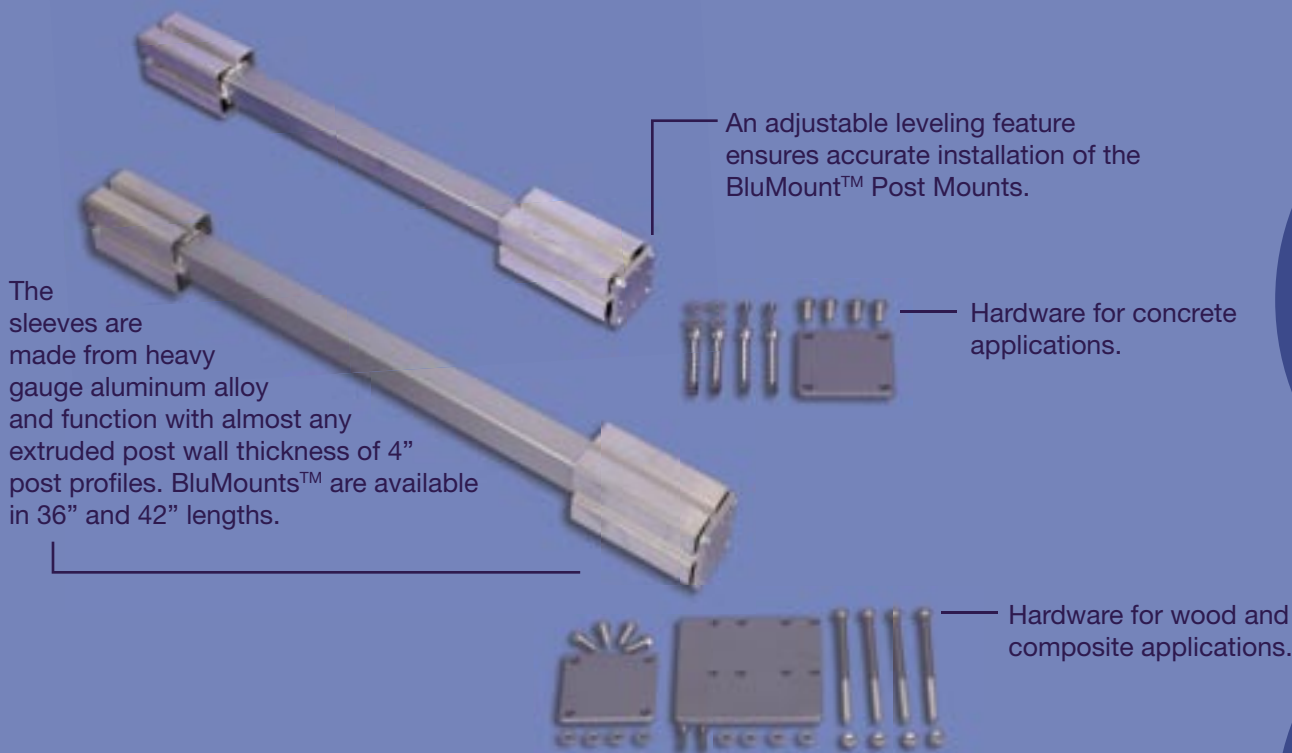

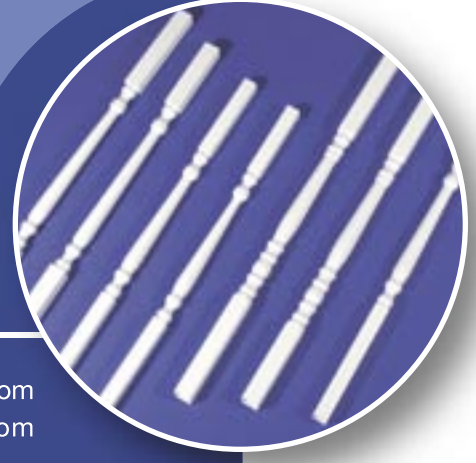

As the largest manufacturer and supplier of vinyl fence, deck and handrail accessories in North America, you can be certain that LMT has more options for deck and railing accessories than anyone else.

Our new BluMount™ Post Mounts can be used for composite, wood, vinyl or concrete decking, as well as vinyl and composite handrail. The superior engineering design includes all of the necessary features required to help your system pass ICC AC-174, ASTM D7032 and D1761 testing. Features such as corrosion-resistant coatings, heavy-gauge metals, grade 5 bolts and patent-pending internal sleeves make our post mount the industry's best.

LMT also offers handrail brackets in vinyl and a new polycarbonate alternative that exceeds the revised ICC and ASTM testing specifications.

Contact us for PVC, polycarbonate and wood composite post caps, picket caps, post skirts, spindles, handrail brackets and more.

LMT specializes in injection molding. We also offer engineering services, custom sizes, custom styles, and mold-making capabilities. We have fulfillment services available from three locations nationwide.

The sleeves are made from heavy gauge aluminum alloy and function with almost any extruded post wall thickness of 4" post profiles. BluMounts™ are available in 36" and 42" lengths.

An adjustable leveling feature ensures accurate installation of the BluMount™ Post Mounts.

Hardware for concrete applications.

Hardware for wood and composite applications.
