Designer Products

LMT introduces The Designer product line, a metallic and ceramic powder coated product line to enhance your customer's fence, deck, and handrail.

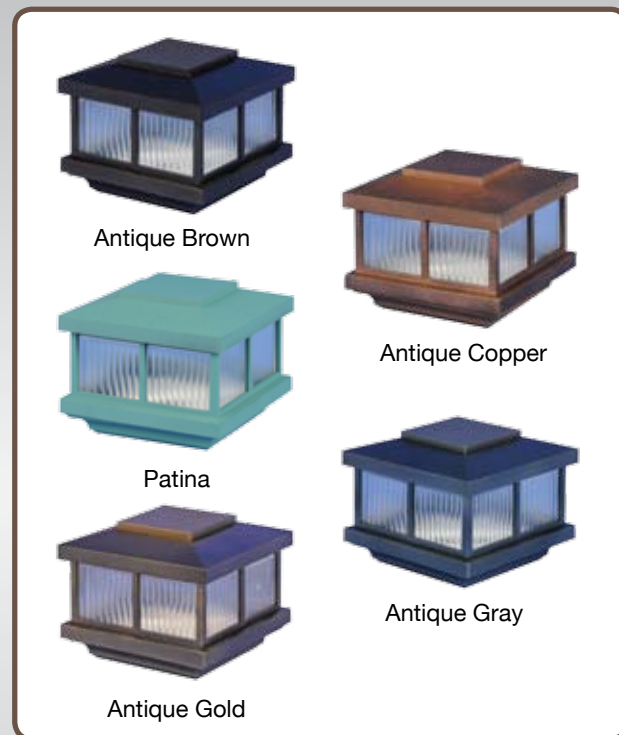

The Designer product line allows for the custom design look by using accent colors with textured finishes. There are six standard colors to choose from, and some products can be mixed with standard LMT PVC/ Acrylic colors. Custom colors and products are also available.

Standard Designer finishes and colors are Patina, Antique Copper, Antique Gray, Antique Gold, Antique Brown, and Copper. The Mystic, Neptune, Cape May, and Haven post caps can have different finishes on top and lower base (skirt) portion of caps, or the top and base can also be a PVC/ acrylic color such as white, almond, khaki, beige, or black.

The LMT Designer products carry a 20 year replacement warranty and will not tarnish like stamped metal post caps.
