

Galaxy Lights Up The Night

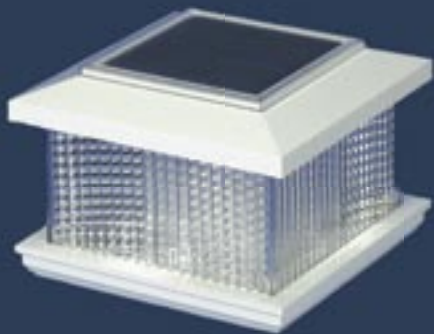

Create just the right amount of lighting with the Galaxy Solar Wedge Accent Lights and Post Caps. Solar lighting generates a warm and inviting environment for you to enjoy every night. No wiring needed, which means the lights can be used almost anywhere. The lights are very simple to install and need no painting. They are available in White and LMT Almond.

Wedge Accent Lights

The Solar Wedge Accent Lights Feature three bright LED lights that cast a beam of light over 15 feet in length. These high quality, compact solar accent lights attach to most surfaces with screws or double-sided tape, both of which are included. Long-life dual Ni-Cad rechargeable batteries ensure that the accent lights stay lit throughout the night. Attach the Wedge to:

Arbors, Pergolas, Trellises, Fencing, Handrails, Entry Ways, Gates, Garage Doors, Address signs, Mailbox Posts, Decks, Steps, Ramps and Sheds.

Solar Post Caps

The versatile Solar Post Caps attach to 4" x 4" or 5" x 5" posts on fences, decks and railing. All Solar Caps come with an adapter to ensure a snug fit on both 4" x 4" and 5" x 5" posts. Four bright LED lights combined with a solar photocell ensure that the lights stay bright for up to 12 hours. Long-life dual Ni-Cad rechargeable batteries are included.
